

## GLOBAL *Networkers*

International recruitment in the shoe- and leather goods business  
The clever way to get relevant contacts

### Head of Design women shoes m/f

#### Our Customer

Our customer, a well-known European women shoes brand with the best reputation worldwide is looking for an advanced shoe designer with technical background. The company is producing both men and women shoes on a high price level. Production takes place mostly in Europe.

You will manage a team of 4-5 designers and product-managers and will report directly to the owner.

There will be offered a fix contract, no freelance.

The candidate has to combine design with some scientific knowledge and must be very fashionable.

#### Your skills

- Capable to show innovative design for women shoes
- Minimum 7 years of successful track record
- Deep knowledge in new materials
- Experienced in fashion
- Good command of written and spoken English and German
- Well organized and able to convince the team
- Highest willingness to travel in Europe

Are you interested in this challenge?

Then please send your complete CV with actual picture, salary expectations and all necessary details exclusively in English.

Location will be in a German speaking country. For this interesting position in an international environment the company will offer an interesting package. Start to discuss.
