

## GLOBAL *Networkers*

International recruitment in the shoe- and leather goods business  
The clever way to get relevant contacts

### Footwear designer children shoes m/f

#### Our Customer

For our client, an international children shoes with HQ in Western Europe we are looking for you as footwear designer to join a worldwide operating company. You are a talented senior designer with progressive thinking who can bring sophisticated designs to the kids.

The company with its brands is wellknown, has the best reputation and is producing children shoes on a middle to high price level.

The ambitious and dynamic company will expand the existing department and needs you.

Please note that the offered job is not suitable for freelance. Please apply only for this position if you have the necessary qualification. All other candidates are welcome to apply directly on our website [www.global-networkers.eu](http://www.global-networkers.eu)

#### Your qualification

- Professional children footwear designer
- Minimum 5 years of experience of designing children shoes
- Experience working in a team through the design process
- You are inspiring, creative and innovative
- You have a convincing track record of designing products
- You can drive collections into excellent business results
- Excellent understanding of footwear materials
- Strong knowledge of construction and production processes
- Experience with 3D design software preferred
- Ability to travel quite often
- Good communication skills
- Positive thinking
- You are fluent in English, Italian would be a plus

Interested?

Then apply by sending your complete CV in with actual picture, salary expectation and earliest start to [info@global-networkers.eu](mailto:info@global-networkers.eu)

The company will offer you a long-term contract. Base will be in a wonderful environment with high recreational value.
