International recruitment in the shoe- and leather goods business
The clever way to get relevant contacts

Export Manager Europe Shoes & Accessories m/f

Our Customer

For our client, a worldwide well-known shoe & accessories manufacturer with different brands, based in Switzerland, we are looking for the international export manager to join the company.

The ambitious company with a long history will boost the existing sales force in Europe and needs you to commercialize the collections Europe-wide.

We need a proven and experienced international sales manager, who knows about premium brands and who has the necessary connections in Europe.

You will report directly to the board. There are big chances to develop the own career. Your location must be logistically favourable, closed to the head-quarter in the south of Switzerland would be ideal.

Your qualification

- You can look back to minimum 10 years of sales experience in the shoe or fashion segment
- You are focused on premium brands
- You can convince with your track record
- You can work with figures and charts
- You know about the different markets in terms of taste and
- You know about the premium markets in Europe
- You can deal with distributors and agencies
- You know the leading chains Europe wide
- You have a working address-book
- You are convincing
- You are used to handle agents and distributors
- You are used to travel, to be outside your home (> 70 %) does not create any problem
- You are fluent in English, Italian and/or Spanish, German would be a plus

Interested?

Then apply by sending your complete CV exclusively in English with picture, salary expectation, terms of notice to info@global-networkers.eu. The company offers a competitive base salary, bonus structure and a company car. Start would be to discuss. The location is close to the leading hotspots for fashion.
